

TX-RZ30

# ONKYO®

THE HEARTBEAT OF ENTERTAINMENT

For nearly 80 years, Onkyo has been providing audiophiles with sounds that no other company can match. Thanks to unique analogue circuitry and high-end amplifier technology, the 9.2-channel Onkyo TX-RZ30 delivers your favorite content with out-of-this-world sound – with soaring highs and extended deep bass down to 5 Hz. Fan favorite features like Dirac Live, optional Dirac Live bass control for two independent subwoofer outputs, Dolby Atmos, Works with Sonos, and IMAX Enhanced come standard with the Onkyo RZ Series AVRs to make it the heartbeat of your entertainment system.
